Welcome

Tēnā koutou katoa. Welcome to the Festival of Design Aotearoa.

This festival brings people together through design, connecting the creative energy of Whanganui and Palmerston North with ideas and voices from across Aotearoa and around the world.

Across 10 days, designers, artists, architects, educators, makers and communities will explore the relationship between people, culture and place, and the ways design shapes how we live, work, gather and experience the world around us.

At its heart, the Festival is about making design visible and accessible, creating opportunities to share ideas, discover new perspectives and experience these places in different ways.

Throughout the programme, I hope you encounter work that surprises you, meet people who inspire you, and see something new in the places around you.

My thanks to everyone who has helped bring this kaupapa to life – enjoy the Festival.

Sam Ryan
Festival Director

Nau mai, haere mai. It is a pleasure to welcome you to Whanganui, New Zealand's only UNESCO City of Design. The title recognises Whanganui as a city that uses design to imagine new futures. People living here tackle challenges with a mix of practicality and creativity not found everywhere. Professional ambition sits comfortably alongside creative freedom.

Throughout the festival, you will meet people who call Whanganui home and are actively shaping what this place is becoming. You'll see design's diversity through our designers, our community of thinkers and doers, and, ultimately, the built landscape as a shared project.

For the festival we're delighted to work in partnership with our neighbours in Palmerston North, a city rich with iconic architecture and community-embedded artistic innovation. Together, we represent a region committed to placing creativity at the heart of our development.

Dr Emma Bugden
UNESCO City of Design Manager

Booking information

How to use this Guide

The Festival of Design Aotearoa programme brings together exhibitions, talks, workshops, tours, performances and more across Whanganui and Palmerston North.

The Festival runs in Whanganui from 16-25 October, and in Palmerston North from 23-25 October.

Events are listed chronologically, with Whanganui first, followed by Palmerston North. City tags and colour coding make it easy to find your way around.

Look out for the tags on each listing:

Ticketed event.

BOOKINGS ESSENTIAL

Advance booking is required. See the event listing or visit the festival website to reserve your place.

FREE

There is no admission charge. Check the listing for any booking requirements.

FAMILY

An event suited to families and younger audiences.

Each listing includes the event details available at the time of publication.

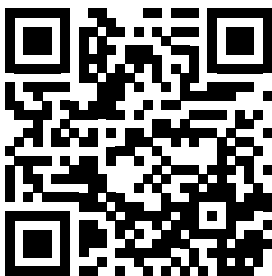

Bookings & Tickets

Events are either free with no booking required, free with booking required, or ticketed. Even when an event is free, booking may be required to ensure a place, as spaces can be limited.

For the latest information, including booking links, ticket availability and any changes to times or locations, visit festivalofdesign.co.nz or scan the QR code below.

Ongoing Exhibitions & Events

Free exhibitions and experiences run throughout the Festival - see pages 36 and 37 for a detailed list. Be sure to explore these ongoing activations and experiences. These are a key part of the Festival experience and provide opportunities to engage, explore and be inspired at your own pace.

Designing Tomorrow Summit

 **BOOKINGS ESSENTIAL**

16–17 October

8.30am–6pm

Whanganui War Memorial Centre

What happens when designers, educators, artists, architects, innovators and creative thinkers come together to imagine what's next?

Designing Tomorrow is the opening two-day programme of the Festival of Design Aotearoa, bringing together leading voices from Aotearoa and around the world to explore how design shapes our cities, communities, cultures, learning environments and everyday lives.

Across inspiring keynote presentations, thought-provoking panel discussions, exhibitions and networking opportunities, the programme explores topics including indigenous design, architecture, placemaking, education, typography, creativity, artificial intelligence, public leadership, material culture and the future of design.

Featuring Professor Tom Eslinger, Ellen Young, Bonnie Fahoome, Dr Johnson Witehira, Kris Sowersby, Mikael Sorknæs, Georgina Clarke, Hothaus, finalists of the 2026 DINZ Best Awards, and other leading designers, educators and creative practitioners from across Aotearoa and around the world.

Created for design professionals, architects, artists, educators, students, business leaders, public sector organisations and anyone passionate about creativity and innovation, Designing Tomorrow is an opportunity to discover new ideas, build meaningful connections and be inspired by the people shaping the future through design.

Your two-day pass includes access to the complete programme, catered morning tea, lunch and afternoon refreshments on both days, plus networking drinks at the conclusion of each day.

Designing Tomorrow Summit

Whanganui War Memorial Centre

Friday 16 October 2026 | Day 1

8am | Mihi Whakatau & Welcome to Day 1 – Opening of Exhibitions

Mihi whakatau followed by the Summit registration from 8.30am.

9.30am | Anthonie Tonnon – Opening Performance: Cinematographer

Anthonie Tonnon opens the Summit with a preview of his show Cinematographer, blending live electronic music, storytelling and visual design.

10.30am–12.30pm | Ellen Young & Bonnie Fahoome – Talk + Q&A

Ellen Young and Bonnie Fahoome share perspectives on designing for resilient communities.

12.30pm–1.30pm | Lunch

Lunch break and informal networking.

1.30pm–2.30pm | Tom Eslinger – Keynote + Q&A

Tom Eslinger delivers a keynote drawing on advertising, technology, creative direction and contemporary design practice.

2.45pm–3.45pm | Georgina Clarke – Keynote + Q&A

Creative Director Georgina Clarke shares perspectives on thoughtful creative leadership and contemporary design practice.

4pm–5pm | Mikael Sorknæs – Keynote + Q&A

Kolding Chief Design Officer Mikael Sorknæs explores public-sector design leadership and city-scale design capability.

5pm–6pm | Networking & Drinks

Networking drinks brings speakers, designers and attendees together to continue conversations and build connections after day one.

Designing Tomorrow Summit

Whanganui War Memorial Centre

Saturday 17 October 2026 | Day 2

8am | Venue Open

9am | Welcome

Welcome and orientation for the second day of Designing Tomorrow.

9.30am–11.30am | Best of the Best Panel – DINZ Best Design Awards

Finalists from the Designers Institute of New Zealand Best Design Awards share leading work, ideas and lessons from practice.

11.30am–1.30pm | Dr Johnson Witehira & Kris Sowersby – Keynote + Q&A

Dr Johnson Witehira and Kris Sowersby bring Māori creative technologies and type design perspectives into a keynote session.

1.30pm–2.30pm | Lunch

Lunch break and informal networking.

2.30pm–3.30pm | AI & the Balance Between Culture and Creative Mortality – Panel + Q&A

Dr Arash Tayebi, Dr Johnson Witehira and Victoria Campbell examine AI's impact on culture, creativity and creative mortality. Chaired by Tom Eslinger.

4pm–5pm | Amanda Dziedzic & Laurel Kohut, Hothaus – Keynote + Q&A

Hothaus founders Amanda Dziedzic and Laurel Kohut discuss contemporary glass practice, studio culture and creative entrepreneurship.

5pm–6pm | Closing – Networking & Drinks

Closing remarks, networking and drinks bring the two-day Summit to a relaxed conclusion.

Whanganui

Education Programme

\$ BOOKINGS ESSENTIAL

20–21 October

8.30am–3.30pm

Whanganui War Memorial Centre

Two inspiring days exploring how design can transform the way we learn, create and respond to the world around us.

The Festival of Design Aotearoa Education Programme brings together students, educators, creative practitioners and industry leaders for two inspiring days exploring how design can transform the way we learn, create and respond to the world around us.

Through keynote presentations, conversations and panel discussions, the programme will examine the future of design education, creativity, technology and learning. International and Aotearoa-based speakers will share perspectives spanning indigenous design, learning through play, artificial intelligence, design thinking and new pathways into the creative industries.

Presenters include education and design leaders Mikael Sorknæs, Khai Seng Hong, Lee Erihāpeti Williams, Jared Forbes, Astrid Visser, Nicola Devine, Stephen Cicala, Lin Yew Cheang and Tom Eslinger.

Designed for secondary and tertiary students, teachers, educators, industry professionals and anyone interested in the future of creative learning. The programme offers an opportunity to discover new ideas, connect across sectors and consider how design can help build more imaginative, inclusive and resilient futures.

Education Programme

Whanganui War Memorial Centre

Tuesday 20 October 2026 | Day 1

8am | Welcome

Opening welcome and orientation for students, educators, speakers and industry participants.

9am | Tom Eslinger – Advertising, Graphic Design, Typography, Music, Stickers & AI-Assisted Creative Practice

Tom Eslinger explores creative practice across advertising, graphic design, typography, music, stickers and AI-assisted design.

10am | Nicola Devine – Creative Direction, Brand, Web & Social Strategy

Nicola Devine explores creative direction across branding, websites and social strategy, connecting ideas with audiences through coherent design.

10.45am | Stephen Cicala – Graphic Design, Branding & Packaging

Stephen Cicala shares perspectives on graphic design, branding and packaging, where visual systems meet products and audiences.

11.30am | Astrid Visser – Design in Secondary Education

Astrid Visser examines design in secondary education and how schools can build creative capability, pathways and future-ready learning.

12.15pm–1pm | Lunch

Lunch break and informal networking.

1pm | Lin Yew Cheang – Digital Media Design, Education & Creative Talent Development

Lin Yew Cheang explores digital media design, education and creative talent development across emerging technologies and contemporary practice.

2pm | Panel Discussion & Q+A

Day 1 speakers join a cross-disciplinary conversation on design, education, technology and creative careers, with audience participation.

3pm | Afternoon Tea & Networking

Afternoon tea and networking with speakers, educators, students and creative-industry participants.

Education Programme

Whanganui War Memorial Centre

Wednesday 21 October 2026 | Day 2

8am–9am | Breakfast Networking

Breakfast networking before Day 2, connecting students, educators, speakers and industry participants.

9am | Jared Forbes – Spatial Media, Immersive Production, Neural Rendering, Volumetric Capture & Design Technology

Jared Forbes explores tools for next-generation design experiences.

10am | Lee Erihāpeti Williams – Costume Design, Textile Practice, Cloth, Whakapapa, Identity & Belonging

Lee Erihāpeti Williams connects identity and belonging through culturally grounded design and filmmaking practices.

11am | Khai Seng Hong – Transdisciplinary Design, Studio Dojo

Khai Seng Hong explores how transdisciplinary design can be used to mitigate the metacrisis.

12pm–12.45pm | Lunch

Lunch break and informal networking.

12.45pm | Mikael Sorknæs – DIY Behavioral Design

Bridging the gap between theory and action, this presentation explores how you as a designer can implement low-cost, high-impact behavioral interventions to address complex human challenges.

1.45pm | Panel Discussion & Q+A

Day 2 speakers come together for a lively discussion on issues raised throughout the day.

3pm | Closing

Closing remarks marking the end of the two-day Education Programme.

\$ BOOKINGS ESSENTIAL
